

The Creative Industries in MO House District 3

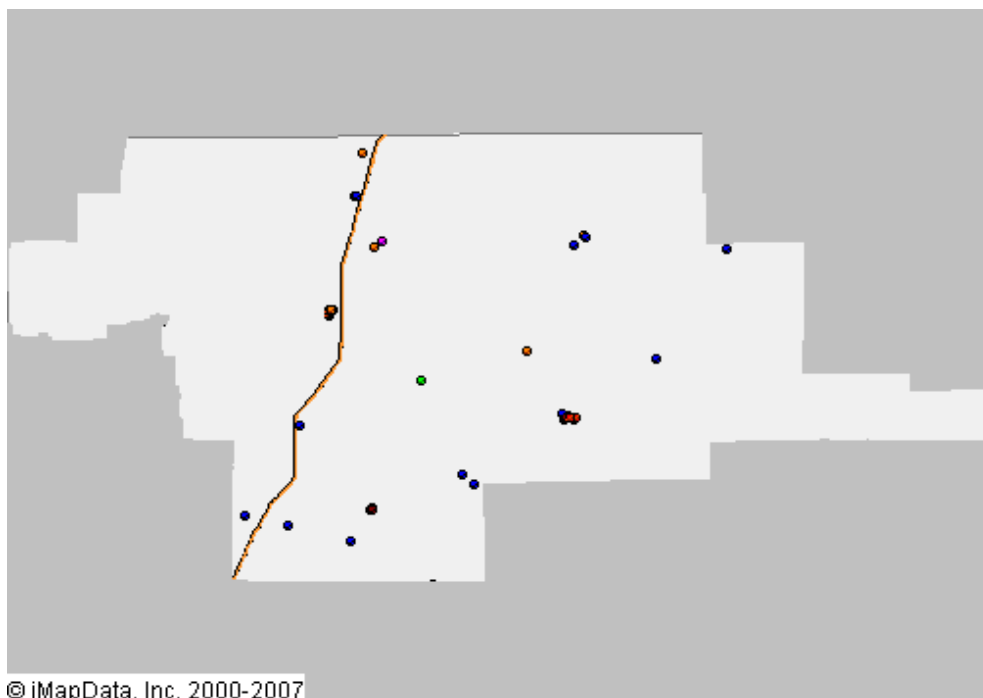

This *Creative Industries* report offers a research-based approach to understanding the scope and economic importance of the arts in **MO House District 3**. The creative industries are composed of arts-centric businesses that range from nonprofit museums, symphonies, and theaters to for-profit film, architecture, and advertising companies. The creative industries are the high-octane fuel that drives the "information economy," the fastest growing segment of the nation's economy.

Nationally, there are 612,095 businesses in the U.S. involved in the creation or distribution of the arts that employ 2.98 million people, which is 4.3 percent of all businesses and 2.2 percent of all employees. Between 2007 and 2008, the number of arts businesses and employees grew 12 percent. The source for these data is Dun & Bradstreet, the most comprehensive and trusted source for business information in the U.S. Growth of the businesses that comprise the creative industries was greater than the increase among the 14.3 million businesses tracked by Dun & Bradstreet.

As of January 2008, MO House District 3 is home to 36 arts-related businesses that employ 54 people. These arts-centric businesses play an important role in building and sustaining economic vibrancy. They employ people, spend money locally, generate government revenue, and are a cornerstone of tourism and economic development. The map below provides a clear picture of the creative industries in **MO House District 3**, with each dot representing an arts-centric business.
